

INTRODUCTION

If work speaks for itself then Mangla Group needs no introduction.

The royal city of Vadodara is witness to various landmarks that are testimony to the vision and planned excellence of Mangla Group.

Be it residential projects, commercial buildings or corporate / institutional / social endeavours; Mangla Group has always delivered to achieve owner delight and surpass expectations.

This adherence to customer understanding has made Mangla Group an extremely respected and admired group in the city.

OCEAN
The Community Landmark

Ocean is an elegant pot pourri of high end retail showrooms, corporate offices and luxurious apartments all underlined by superb quality and finish coupled with exclusivity in design and amenities.

The business tower consists of retail showrooms and designer boutiques on levels 0-2 and office spaces on levels 3-11. The residential apartment tower is in foreground enjoying full privacy and quiet.

Ocean is working on the philosophy that quality is tangible and can be translated into visual reality. Mangla has always stood for impeccable construction standards and aesthetic sensibilities. With this project they also set new standards in technology application and designer opulence.

Ocean is just not about hi-life..... its about hi-thinking!
